## Professional Profile

As a lifelong member of SNPJ, I'm honored to have served on the National Board for the past four years.

Professionally, I bring more than 20 years of experience in the technology field. Throughout my career, I have led numerous projects and process improvement initiatives, while ensuring I stay current with emerging technology and best practices. My experience allows me to bring a balanced perspective to the board, pushing for fresh ideas and modern approaches, while understanding and honoring the history of the SNPJ.

## Experience

### Region 2 Vice President, National Board • Slovene National Benefit Society

*January 2023 - Present*

Heavily involved and interested in strategic planning, to ensure the success of SNPJ for years to come. Played an instrumental role in discussion that led to a more competitive annuity product in 2025. I have been a champion for forward-thinking initiatives that will strengthen the long-term sustainability of the SNPJ Recreation Center.

### District 1 Athletic Director • Slovene National Benefit Society

*March 2020 – Present*

Represents District 1 on the SNPJ National Athletic Board. Acting as a key leader on the Athletic Board, I am responsible for organizing and promoting athletic events both at the national level and within our district. I was instrumental in the success of the Winter Classic Bowling Tournament since its inception and continue to play a highly influential role in the strategic planning of all athletic events.

### President • SNPJ Lodge 138

*January 2017 – Present*

Currently serving as President of SNPJ Lodge 138. With over 2,000 members and \$20,000,000 of life insurance in force, I oversee all aspects of lodge activities, financials, and continue to promote the traditions of the Slovenian heritage. Along with polkas, we host many family-oriented events, such as the annual Duck Race, of which I had been chairperson for 8 years.

### House Committee Officer • American Slovene Society

*January 2010 - Present*

Member of a 15-person elected committee of volunteers that oversee the day-to-day business operations of SNPJ Lodge 138. Support numerous events and activities throughout the years. Worked to bring SNPJ 138 into a local bar crawl, increasing our sales and members. I was an active proponent of bringing in Square for the Point-of-Sale system, increasing our ability to manage inventory and run reports.
